

Date	Start	end	break	hours	Description
28/09/21	10:00	12:00	0.2	1.66	As the first lesson i took some time to decied what i wanted to do, i started simple with a charcter controler
5/10/21	10:00	12:00	0:5	1.5	worked on fixing hard controls of charcter movement and adjusted the camera controls
12/10/21	10:00	12:00	0:20	1.66	looked into adding a speed boost to the charcter movement
19/10/21	10:00	12:00	0.2	1.66	implmenetd the speed boost script to the existing charcter
2/11/21	10:00	12:00	0.2	1.66	implmeted main menu and ui elements for scene changing
9/11/21	10:00	12:00	0.2	1.66	lookeed into Shader graphs in an attempt to make a cel shader
16/11/21	10:00	12:00	0.5	1.5	implemnet cel shader for diffuse colours
23/11/21	10:00	12:00	0.4	1.2	worked on the write up of my tutorials i was able to cover character controller and speed boost this session.
30/11/21	10:00	12:00	0.4	1.2	worked on the write up for the tutorials
